

GENERALI chooses nke for its electronics on board

Yann Eliès and Zinédine Zidane were on the 11th May in La Trinité sur Mer (Brittany-France) to baptize Generali 60' boat. Zinédine Zidane is the happy sponsor of this new generation boat.

Generali chooses nke for its electronics on board, and we say good luck to the Open 60' Immoca Généralei, which will participate to the Vendée Globe.
