

Three regattas

Three victories.

And a third one! After the Primo Cup in Monaco (monotype) en in february, the Massilia Cup (ORC1) in March in Marseille, this is the SNIM (ORC1) in April, three victories in a row for Thierry Bouchard.

3 regattas, 3 victories for the 40.7

The next race is the Jacques Vabres Transat in November, always with nke.

If we win it will be great... but there is still a long way to Bahia.
